Re: Case No. 2019-00361 – Proposed Electric Transmission Line Construction Project

Dear Ms. Pinson:

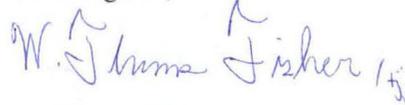

I am writing in furtherance of my letter dated November 14, 2019 in connection the above referenced matter.

It has come to my attention that the map of the real property located at 5765 Constitution Drive, Florence, Kentucky in Boone County which was referenced in that letter was unintentionally omitted from our submission.

As a result I have included with this letter the attachment which was to be provided with my first letter. I apologize for any confusion this may have caused.

If there is anything else you need, I can be reached via the information set forth in the letterhead above.

Best Regards,

W. Thomas Fisher
