STATUS REPORT

Green River Valley Water District (“Green River District”) submits this report on the status of its efforts to resolve low-pressure conditions in the Bunnell Crossing Road area of Munfordville, Kentucky.

1. Construction of the booster station has been completed. Green River Valley Water District has scheduled startup of the station for December 15, 2021. Under the terms of the booster pumps’ warranty, the manufacturer’s representatives must be present at the startup of the booster pump. Because of scheduling issues, the earliest date that the manufacturer’s representatives are available is December 15, 2021.

2. Green River Valley Water District now expects the booster pump station to be in operation on December 15, 2021. Upon the booster station’s startup, all low-pressure conditions in the Bunnell Crossing Road area of Munfordville, Kentucky should be resolved.

Dated: December 6, 2021

Respectfully submitted,
