

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED GAS ADJUSTMENT FILING OF)	CASE NO.
VALLEY GAS, INC.)	2019-00431

ORDER

On December 2, 2019, Valley Gas, Inc. (Valley Gas) filed, in accordance with its Purchased Gas Cost Adjustment Tariff, its Gas Cost Recovery (GCR) rate report for rates to be effective January 1, 2020. On December 11, 2019, Valley Gas filed supplemental information to its GCR report.

After reviewing the record in this case, and being otherwise sufficiently advised, the Commission finds that:

1. Valley Gas's GCR report includes a revised rate designed to pass on to its customers its expected change in gas costs.
2. Valley Gas's GCR report sets out an Expected Gas Cost (EGC) of \$4.2148 per Mcf. Valley Gas did not use the correct Mcf Rate in the calculation of its EGC. Valley Gas's corrected EGC is \$4.1864, which is a decrease of \$.9081 per Mcf from the previous EGC of \$5.0945 per Mcf.
3. Valley Gas's GCR report sets out no Refund Adjustment.
4. Valley Gas's GCR report sets out a current quarter Actual Cost Adjustment (ACA) of \$.3077 per Mcf. Valley Gas did not use the correct EGC of \$4.1299 in effect for the months of July, August, September 2019, approved in Case No. 2019-00203, in the

calculation of its current quarter ACA.¹ Valley Gas also used the incorrect amounts when calculating the monthly purchase and sales volume for their industrial customer. Correcting this produces a current quarter ACA of \$.2934 per Mcf. This produces a total ACA of \$.6838 per Mcf, which is an increase of \$.3856 per Mcf from its previous total ACA of \$.2982 per Mcf.

5. Valley Gas's corrected GCR rate is \$4.8702 per Mcf, which is a decrease of \$.5225 per Mcf from the previous GCR rate of \$5.3927 per Mcf.

6. The rate set forth in the Appendix to this Order is fair, just, and reasonable and should be approved for service rendered by Valley Gas on and after January 1, 2020.

7. Valley Gas's next GCR report should include all invoices received from Constellation Energy for the prior calendar quarter. Valley Gas's future GCR reports should also include the additional information previously provided as a supplemental filing on June 13, 2018, in Case No. 2018-00177² as it pertains to the calculation of the future GCR rate.

8. In this and previous GCR reports, Valley Gas made repeated errors and omissions that impact timely and accurate processing of its filings. The Commission finds that Valley Gas should conduct a careful and thorough review to minimize any potential errors in its future GCR reports. Failure to minimize errors in future filings may adversely affect the timely processing of Valley Gas's GCR reports.

¹ Case No. 2019-00203, *Purchased Gas Adjustment Filing of Valley Gas, Inc.* (KY. PSC July 2, 2019)

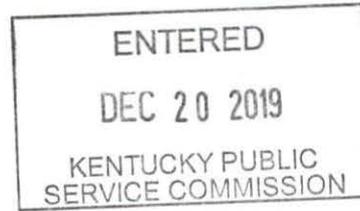

² Case No. 2018-00177, *Purchased Gas Adjustment Filing of Valley Gas, Inc.* (KY. PSC Jun 13, 2018)

9. Should Valley Gas purchase sustainable natural gas from a renewable source during the reporting period of any future GCR reports then the supplier, cost, and amount must be documented in its cover letter to the Commission.

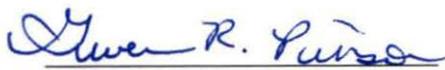

IT IS THEREFORE ORDERED that:

1. The rate proposed by Valley Gas is denied.
2. The rate set forth in the Appendix to this Order is approved for service rendered on and after January 1, 2020.
3. Valley Gas's future GCR reports shall include the information required in finding paragraph 7.
4. Within 20 days of the date of entry of this Order, Valley Gas shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rate approved herein and reflecting that it was approved pursuant to this Order.
5. This case is closed and removed from the Commission's docket.

By the Commission

ATTEST:

Executive Director

APPENDIX

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE
COMMISSION IN CASE NO. 2019-00431 DATED **DEC 20 2019**
