Dear Executive Director:

Please find enclosed the Association's request for a purchased water rate adjustment of \$.02 from the City of Berea instead of the previous request of \$.01. The staff of the Ky. PSC informed Garrard Water Association that it could, but did not have to, charge the \$.02 in order to cover all purchased cost associated with the City of Berea's increase. This \$.02 increase will be added to the current and correct rate associated with the 2018 rate increase from the City of Lancaster due to the Kentucky River Authority increase, Case No. 2018-00202.

Also, enclosed is a revised 2020 Comparison of Rates sheet reflecting the two cent per thousand gallons adjustment.

The Association will notify its customers of the rate adjustment before rendering the first customer statement reflecting the increase.

If additional information should be required, please advise.

Sincerely,

Sean Smith
General Manager
