

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT FILING OF) CASE NO.
GARRARD COUNTY WATER ASSOCIATION, INC.) 2019-00441

ORDER

On January 6, 2020, the Commission issued an Order in this matter in relation to the December 6, 2019 application filed by Garrard County Water Association, Inc. (Garrard County Water) granting approval to the proposed purchased water adjustment factor of \$0.02 per 1,000 gallons. Appendix B to the Order, Monthly Water Rates, contained an error listing the rate for the minimum bill for the 2 Inch – Meter Rate for the “First 25,000 Gallons” as \$127.24. With the approved \$0.02 purchased water adjustment factor, the minimum bill for the 2 Inch – Meter Rate for the first 25,000 gallons should have been listed as \$126.37.

The Comparison of Rates filed by Garrard County Water on December 11, 2019, contained the same error in listing the minimum bill for the 2 Inch – Meter Rate for the “First 25,000 Gallons” as \$127.24. Therefore, in so far as Garrard County’s Comparison of Rates incorrectly calculated the minimum bill for the 2 Inch – Meter Rate with the \$0.02 purchased water adjustment factor, it is denied.

Finding that the January 6, 2020 Order should be amended, the Commission HEREBY ORDERS that:

1. The following language is amended in Appendix B of the January 6, 2020 Order:

2 Inch - Meter

First	25,000	Gallons	\$ 126.37	Minimum bill
All Over	25,000	Gallons	4.65	per 1,000 Gallons

2. All provisions of the January 6, 2020 Order that are not in conflict with the terms of this Order shall remain in effect.
