ORDER

This matter arises upon the motion of the Western Fleming County Water District (Western Fleming District) filed February 26, 2021, to request a 7-month extension to the deadline of March 30, 2021, to file for an alternative rate case. Western Fleming District explained that Kentucky Rural Water Association (KRWA) is providing assistance to file its alternative rate case and requires an extension due to the high volume of alternative rate filings with which KRWA is currently providing assistance. Additionally, KRWA plans to use financial data from the fiscal year 2020 to perform its analysis. Commission Staff requested confirmation of the information cited by Western Fleming District from KRWA in an information request entered March 5, 2021. Western Fleming District filed a response on March 8, 2021, to confirm the information regarding KRWA. It appears to the Commission that such request is reasonable. The Commission, being otherwise sufficiently advised, finds that Western Fleming District's motion should be granted.

IT IS THEREFORE ORDERED that:

1. The motion of Western Fleming District is granted.

2. Western Fleming District shall file for an alternative rate filing no later than November 1, 2021.
