BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC SOUTHERN WATER & SEWER	)	CASE NO.
DISTRICT METER REPLACEMENT	)	2020-00121
SURCHARGE MONITORING	)	

ORDER

On July 27, 2021, counsel for Southern Water and Sewer District (Southern District) filed a letter into the record of this proceeding requesting a 17-day extension of time in which to file a response to Commission Staff's Fifth Request for Information (Staff's Fifth Request), which is due to be filed on or before July 30, 2021. Pursuant to 807 KAR 5:001, Section 5, all requests for relief that are not required to be made in an application, petition, or written request shall be by motion. Further, the regulation requires that the motion should state precisely the relief requested. A request for an extension of time is not a request that is required to be made in an application, petition, or written request. Therefore, a request for an extension of time should be made by motion.

IT IS THEREFORE ORDERED that Southern District shall file either a response to Staff's Fifth Request or a motion for an extension of time to file such a response on or before July 30, 2021.
