

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC SOUTHERN WATER & SEWER)	CASE NO.
DISTRICT METER REPLACEMENT)	2020-00121
SURCHARGE MONITORING)	

ORDER

On July 30, 2021, Southern Water and Sewer District (Southern District) filed a motion for an extension of time in which to respond to Staff's Fifth Request for Information. Southern District's motion requests an additional 17 days in which to submit its response and cites the fact that several of Southern District and UMG's employees have taken recent vacations as the reason for the need for additional time.

The Commission does not look favorably on requests for extensions of time. The Commission notes that Staff's Fifth Request for Information was issued on July 9, 2021, and the response was due on July 30, 2021. Southern District had three full weeks in which to gather the necessary information and submit its response. Employee vacations occurring during the time allowed for a response is not good cause to extend the time for a response by 17 days. The Commission finds that Southern District's motion for a 17-day extension of time should be denied, but that an extension of 7 days is adequate in this circumstance.

IT IS THEREFORE ORDERED that:

1. Southern District's motion for a 17-day extension of time is denied.

2. Southern District is granted a 7-day extension of time in which to file a response to Staff's Fifth Request for Information.

3. Southern District shall file its response to Staff's Fifth Request on or before August 6, 2021.
