

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF HYDEN-)	CASE NO.
LESLIE COUNTY WATER DISTRICT FOR AN)	2020-00141
ALTERNATIVE RATE ADJUSTMENT)	

ORDER

This matter arises upon the motion of the Hyden-Leslie County Water District (Hyden-Leslie District), filed March 20, 2021, requesting a deviation from the Commission's Order in this matter entered on November 6, 2020. The Commission ordered Hyden-Leslie District to document and file its terms for its board of commissioners within 120 days of November 6, 2020. The filing was due by March 8, 2021. Hyden-Leslie District claims COVID-19 pandemic restrictions prevent it from researching the Leslie County Fiscal Court minutes. The Commission, having researched terms for boards of directors on prior occasions, finds good cause to believe the research into the terms of its board of commissioners could take up substantial time and resources. The Commission finds that Hyden-Leslie District needs that time and those resources to work toward correcting past financial and operational difficulties. The Commission, being otherwise sufficiently advised, finds that the motion should be denied. The Commission directs Hyden-Leslie District to make a reasonable attempt to document and file its terms for its board of commissioners within 30 days of the date this Order is entered. Hyden-Leslie should file the information it had at that time and notify the Commission as to

whether the terms require resetting based upon the records it can obtain in that time frame.

IT IS HEREBY ORDERED that:

1. The motion of Hyden-Leslie District is denied.
2. Hyden-Leslie District shall document and file its terms for its board of commissioners within 30 days of the date this Order is entered, or in the alternative, it shall file the information it has at that time, and notify the Commission as to whether the terms require resetting.
