ORDER

The matter is before the Siting Board upon a motion filed by AEUG Fleming Solar, LLC (AEUG Fleming Solar) requesting an extension of time in which to file its response to the final report of Harvey Economics Consulting (HE Final Report). In support of its motion, AEUG Fleming Solar states that the current procedural schedule, as established by the Order issued on December 7, 2020, requires AEUG Fleming Solar to file its response to the consultant's final report by March 12, 2021. AEUG Fleming Solar requests a short extension of until March 17, 2021, which additional time would allow it to better prepare a response. AEUG Fleming Solar further states that short extension should not impact the Siting Board's review and processing of this matter.

Having reviewed the motion and being otherwise sufficiently advised, the Siting Board finds that AEUG Fleming Solar has established good cause to permit a short extension of the deadline in which it may file its response to the HE Final Report. Accordingly, the Siting Board finds that AEUG Fleming Solar's motion should be granted

and that it be allowed a brief extension of time until March 17, 2021, in which to file its response to the HE Final Report.

IT IS THEREFORE ORDERED that:

1. AEUG Fleming Solar's motion for an extension of time to file its response to the HE Final Report is granted.

2. The deadline in which AEUG Fleming Solar shall file its response to the HE Final Report is extended from March 12, 2021, to March 17, 2021.
