<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC Mar. 16, 2020), Order at 5–6. Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC Mar. 24, 2020), Order at 1–3.

Each response shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Northern Bobwhite shall make timely amendment to any prior response if Northern Bobwhite obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Northern Bobwhite fails or refuses to furnish all or part of the requested information, Northern Bobwhite shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, Northern Bobwhite shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the Application, Exhibit N – Economic Analysis, Appendix A – Memorandum of Industrial Revenue Bond Agreement. On page 2, reference is made to an Exhibit B which is characterized as a Memorandum of Agreement. Provide a copy of Exhibit B.

2. Provide a schedule of the annual payments associated with the Industrial Revenue Bond.

3. State whether any engineering and procurement contractors that either Geenex or EDF Renewables has worked with are aware of any construction method or equipment that would mitigate or reduce construction noise, particularly construction noise related to the pile driving process and provide the approximate cost of each such product or method of construction.

4. State how long it will take Northern Bobwhite to develop a formal decommissioning plan and provide a copy of that plan when completed.
