ORDER

On July 22, 2020, the Commission entered an Order conditionally approving and accrediting a water district management training program offered by Kentucky Rural Water Association; Stoll Keenon Ogden, PLLC; and Northern Kentucky Water District (Joint Applicants) entitled *2020 Water District Commissioner Training Webinar*, to take place telephonically on August 27, 2020 (Training Program). Following the training, on September 21, 2020, Joint Applicants submitted materials indicating, among other things, that the Training Program was conducted as scheduled and identifying the water district commissioners who attended and the number of hours they attended. Having reviewed the materials submitted by KWRRRI and being otherwise sufficiently advised, the Commission finds that the Training Program should be granted final approval.

IT IS THEREFORE ORDERED that:

1. The Training Program is hereby approved and accredited for a maximum of six hours of water district management training for water district commissioners seeking to satisfy the annual training requirements set forth in KRS 74.020(6) and (7).

2. The Training Program may not be used by water district commissioners seeking to satisfy any portion of the initial training requirement for water district commissioners required by KRS 74.020(8).

3. This matter is closed and removed from the Commission's docket.
