<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC Mar. 16, 2020), Order at 5–6. Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC Mar. 24, 2020), Order at 1–3.

under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Larue District #1 shall make timely amendment to any prior response if Larue District #1 obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Larue District #1 fails or refuses to furnish all or part of the requested information, Larue District #1 shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Larue District #1 shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. As 807 KAR 5:069, Section 2(6)(c), provides the proposed rates, if any, shall produce the total revenue requirements recommended in the engineering reports. Provide a copy of the billing analysis in Excel spreadsheet format with all formulas intact and unprotected and all rows and columns fully accessible, showing revenue at current

rates and at proposed rates based on actual and forecasted water usage for the existing system for 12 months as contained in the Table 8 - Estimated Income From Water Sales Alone and Table 9 - Summary Of Rate Analysis as referenced in the Preliminary Engineering Report, page 8.

2. Refer to the application, Final Engineering Report, page 1. The low bidder for Contract 2, the new office building, was Jenkins-Essex Construction, Inc. from Elizabethtown, Kentucky, with a Bid of \$1,681,000. Provide documentation, a detailed analysis or study, supporting Larue District #1's need for a \$1,681,000 office building.

3. Provide Larue District #1's depreciation schedule for all of its assets for the period ending December 31, 2019.

4. Provide a copy of a current amortization schedule for each of Larue District #1's outstanding bond issuances, promissory notes, and debt instruments.

5. Provide a copy of Larue District #1's general ledger for the calendar year ended December 31, 2019.

6. Provide Larue District #1's adjusted trial balance showing unaudited account balances, audit adjustments, and audited balances for the calendar year ended December 31, 2019.
