**Application for Certificates of Construction**

---

Unbridled Solar, LLC (“the Applicant” or “Unbridled”) files this application requesting from the Kentucky State Board on Electric Generation and Transmission Siting (“the ESB” or “the Board”) a certificate of construction for an approximately 160 MW merchant electric solar generating facility pursuant to KRS 278.704, and a certificate of construction for a related 161 kV nonregulated electric transmission line pursuant to KRS 278.714. The generating facility and the transmission line for which certificates are sought comprise a single, interconnected project; each facility will be located in both Henderson and Webster Counties, Kentucky.

In support of this Application, Unbridled submits herewith Exhibits A–K. To assist the Board and interested persons in locating information required by various statutes and regulations, Unbridled also submits herewith the Table of Contents required by 807 KAR 5:110 §3(2)(b) and attaches hereto two Indexes of Regulation Requirements, listing respectively the requirements for a generation application and a transmission line application, and the principal place(s) each requirement is addressed in these Application materials. The facts on which the Application is based are contained in the concurrently-filed exhibits, reports, and other information and the statements further made by Unbridled as follows:
