ORDER

On July 31, 2020, South Kentucky Rural Electric Cooperative Corporation (South Kentucky RECC) filed its application with the Commission seeking a Certificate of Public Convenience and Necessity (CPCN) to authorize it to bid on a franchise offered by the city of Albany, Kentucky, for electric transmission and distribution service. Under the provisions of KRS 278.020(5), no utility may apply for a franchise from any governmental agency until it has obtained a CPCN from this Commission based on our finding that there is a need and demand for the service sought to be rendered.

In light of the city of Albany's ordinance creating a franchise for electric transmission and distribution service, the Commission determines that there is evidence of a need and demand for electric transmission and distribution service in the above-mentioned city. Since the Commission's authority in such matters is limited by statute to finding only whether there is a need and demand for the service sought to be rendered, no finding or determination is made as to the qualifications of the bidder, the validity of any of the provisions of the franchise offered by said city, or the manner in which any

franchise fee is to be treated for rate purposes. The Commission directs the South Kentucky RECC to the Commission's March 16, 2020 and March 24, 2020 Orders in Case No. 2020-00085¹ regarding filings with the Commission. The Commission expects the original documents to be filed with the Commission within 30 days of the lifting of the current state of emergency.

IT IS THEREFORE ORDERED that:

1. South Kentucky RECC is granted a CPCN that authorizes it to bid on a franchise offered by the city of Albany, Kentucky, for electric transmission and distribution service.

2. If South Kentucky RECC is not the successful bidder, South Kentucky RECC shall file with the Commission, within ten days of the award of the franchise at issue, a written notice stating that South Kentucky RECC was not the successful bidder.

3. If South Kentucky RECC is the successful bidder, South Kentucky RECC shall file with the Commission, within ten days of the award of the franchise at issue, a copy of the executed franchise agreement and a statement disclosing the amount of the initial franchise fee.

4. If South Kentucky RECC is the successful bidder, South Kentucky RECC shall file with the Commission, within ten days of an increase or decrease in the amount of the initial franchise fee set forth in the franchise agreement, documentation setting forth the revised fee.

5. Any documents filed pursuant to ordering paragraphs 2, 3, or 4 of this Order shall reference the number of this case and shall be electronically submitted via the Commission's electronic Tariff Filing System.

6. This Order shall not be construed as granting a CPCN to construct utility facilities in said city.
