ORDER

This matter arises upon Woodpecker Solar LLC's (Woodpecker Solar) motion to withdraw its notice of intent to file an application. On July 31, 2020, Woodpecker Solar filed a notice of intent to file an application for a Certificate of Construction for an approximately 120-megawatt electric solar generating and storage facility to be located north of Glasgow, Barren County, Kentucky. To date, an application has not been filed. On December 30, 2021, Woodpecker Solar filed a motion withdrawing the notice of intent to file an application and requested the case be closed.

Based upon a review of the motion, the Siting Board finds that Woodpecker Solar established good cause to withdraw the notice of intent, and therefore the motion should be granted.

IT IS THEREFORE ORDERED the case is closed and removed from the Siting Board's docket.
