Re: TFS 2020-00381
Bracken County Water District

Dear Mr. Chandler:

I am submitting this letter on behalf of and at the direction of Bracken County Water District.

Yesterday the City of Augusta advised Bracken County Water District of the filing of its notice of its intent to adjust its rate for wholesale water service from \$2.35 per 1,000 gallons to \$2.50 per 1,000 gallons effective September 1, 2020. Please be advised that Bracken County Water District will not file an objection to the proposed adjustment or seek to intervene in any proceeding regarding the proposed adjustment. Bracken County Water District further waives its right under Paragraph 14 of its Water Purchase Contract with Augusta to receive at least 60 days prior notice of the proposed adjustment. This waiver applies only to this proposed adjustment and does not constitute a waiver of any rights under the Water Purchase Contract as to future rate adjustments.

If Commission Staff has any questions regarding this letter, please contact me.

Sincerely,

Stoll Keenon Ogden PLLC
