*Persimmon Ridge Subdivision*

*Case: 2020-00290*

*I received my notice of a proposed rate increase in my residential sewer rate for Persimmon Ridge subdivision. My current rate is \$35.00 per month. My proposed rate is \$96.14 per month, an increase of over 174%! I also don't think it's fair that I, who lives in a condo alone, am paying the same amount as a residence that has multiple residents and a pool.*

*I ask that the PSC deny this massive rate increase for all service areas as being excessive.*

*Sincerely,*

*Heather Rudd*
