Address: 147 Whispering Pines Circle

Place of Residence: Persimmon Ridge Subdivision

CASE NUMBER 2020-00290

We received our notice of a proposed rate increase in our residential sewer rate for Persimmon Ridge Subdivision from Bluegrass Water Utility Operating Company, Inc. (Bluegrass Water). Our current rate with this company is \$35.00 per month. The proposed rate is \$96.14 per month, an increase of over 174%.

An increase this large is excessive and poses an undue financial burden on residents of our community. We understand that this rate increase request requires approval by the PSC. We are asking the PSC to intervene and deny this request.

Thank you for your attention to this matter.

Sincerely,

Paul A. Winter and Janice M. Butters
