Public Service Commission,

I am writing this letter because I am a subscriber to Bluegrass Water Utility Operating Company in Fox Run Estates. I am requesting intervention due to the rate increase proposed by Bluegrass Water. The current monthly rate is \$55.85 which is in alignment with the rest of Franklin County run by the Frankfort Plant Board. I work with 21 people that live in Franklin County, with households of two to six people, and sewage bills ranging from \$41.00 to \$78.00. Bluegrass Water's proposed fee of \$96.14 is absurd in comparison to other rates being paid for sewage within Franklin County.

My status is I am a subscriber to Bluegrass Water Services at Fox Run Estates. My interest is this an unfair rate increase compared to how much the rest of the county pays for sewage services. I am requesting intervention by the Public Service Commission.

Thank You  
  
Kevin Lilly
