PUBLIC SERVICE
COMMISSION

To Whom it may concern:

My single-family residence is at 325 Fieldcrest Drive, in the Randview subdivision, in Mayfield, Ky. I am requesting an intervention regarding the proposed rate increase for services. The table is incorrect, as I have paid \$15 per month, not \$25. This makes for an even less justifiable percentage increase than the 285% proposed.

I will wait for a reply for a reasonable rate proposal. If none can be reached, I, and my neighbors will all be more than happy to investigate other sewage arrangements that make more economic sense than a \$972 annual increase.

Best Regards,

Quint Chapman
