**Subject:** Case # 2020-00290 - Requesting Intervention

I would like to request in intervention pertaining to Case #2020-00290 in which our subdivision has been contacted by Bluegrass Water to drastically increase our costs. I live at 137 Fallow Circle in Georgetown (Deer Run Subdivision). The price increase suggested will be a 669% increase the highest of any service area. I request that this either is not approved or a solution with a much lower increase is implemented. If you have any questions, please contact me directly.

Sincerely,  
Julia
