ORDER

This matter arises upon the motion of the Hyden-Leslie Water District (Hyden-Leslie District) filed March 2, 2021, to submit its qualified infrastructure improvement plan no later than March 20, 2021. Hyden-Leslie District explained that it has experienced delays due to recent flooding and employees that have contracted COVID-19. It appears to the Commission that such a request is reasonable. The Commission, being otherwise sufficiently advised, finds that Hyden-Leslie District's motion should be granted.

IT IS THEREFORE ORDERED that:

1. The motion of Hyden-Leslie District is granted.
2. Hyden-Leslie District shall file its qualified infrastructure improvement plan no later than March 20, 2021.

By the Commission
