COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION  
TO HYDEN-LESLIE WATER DISTRICT

Hyden-Leslie Water District (Hyden-Leslie District), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on May 28, 2024. The Commission directs Hyden-Leslie District to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Hyden-Leslie District shall make timely amendment to any prior response if Hyden-Leslie District obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Hyden-Leslie District fails or refuses to furnish all or part of the requested information, Hyden-Leslie District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Hyden-Leslie District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the November 6, 2020 Order, which authorized Hyden-Leslie District to assess a monthly surcharge of \$1.53 per customer for 48 months, or until \$263,124 has been assessed, whichever occurs first, to fund its unaccounted-for water

loss reduction efforts as set forth in Case No. 2020-00141.<sup>2</sup> Provide the total amount of the surcharge that has been collected through the most recent billing cycle.

2. Provide the date or expected date on which Hyden-Leslie District will stop collecting the monthly surcharge.

3. In a numbered list, provide all water loss reduction projects that have been started or completed since the collection of the surcharge began. Explain whether the water loss reduction projects are included in the Qualified Infrastructure Improvement Plan (QIIP) filed on March 20, 2021. Include any projects that have not been funded by the surcharge collections, and explain how those projects were funded.

4. For the projects listed in the response to Item 3, provide the following:

- a. A detailed description of each project;
- b. The current status of each project;
- c. The total of any surcharge funds already spent on each project;
- d. The estimated amount of funds from the surcharge account needed

to complete each project; and

- e. The estimated date of completion or the actual date of completion.
