Case No 2020-00398. I am John Lester Smith , a Breathitt Co resident and one of the founding members of the Breathitt Water District and former chairperson for around seven years . I served as the elected Breathitt Co Judge executive from 14/18. Our county is a mess currently with the tragedies of recent flooding and bickering local elected officials . I feel I can continue to provide the stability in leadership that a local utility should instill to its customers . The current board member Mr Thorpe has done a outstanding job and if I understand has to be replaced , I support his continued service but offer myself should a name other need be considered. My contact phone is [REDACTED] should you need to discuss matters. Respectfully , John Lester (JL) Smith
