

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS	)	CASE NO.
ADJUSTMENT FILING OF BURKESVILLE	)	2021-00073
GAS COMPANY, INC.	)	

ORDER

On February 26, 2021, Burkesville Gas Company, Inc. (Burkesville) filed its Gas Cost Recovery (GCR) rate report for rates with a proposed effective date of March 28, 2021. Burkesville's previous GCR rate was approved in Case No. 2020-00379.<sup>1</sup>

After reviewing the evidence of record and being otherwise sufficiently advised, the Commission finds that:

1. Burkesville's report includes revised rates designed to pass on to its customers its expected change in gas costs.
2. Burkesville's report sets out an Expected Gas Cost (EGC) of \$8.4436 per Mcf, which is a decrease of \$.0617 per Mcf from the previous EGC of \$8.5053 per Mcf.
3. Burkesville's report sets out no Refund Adjustment.
4. Burkesville's report sets out a current quarter Actual Cost Adjustment (ACA) of (\$.0475) per Mcf. Burkesville erroneously used the previous 12-month sales amount of 35,832.80 Mcf when calculating the ACA for the current reporting period. The sales for the 12-month period ended December 31, 2020, is 37,282.60 Mcf. This produces a

<sup>1</sup> Case No. 2020-00379, *Electronic Purchased Gas Adjustment Filing Of Burkesville Gas Company, Inc.* (Ky. PSC Dec. 18, 2020).

corrected current quarter ACA of (\$.0456) per Mcf. In calculating its total ACA, Burkesville included an incorrect amount of \$.5598 per Mcf for the Previous Quarter ACA. The correct Previous Quarter ACA is \$.0152 per Mcf as approved in Case No. 2020-00379.<sup>2</sup> Correcting this produces a total ACA of (\$.3427) per Mcf, which is a decrease of \$.9025 per Mcf from the previous total ACA of \$.5598 per Mcf.

5. Burkesville's corrected GCR rate is \$8.1009 per Mcf, which is a decrease of \$.9642 per Mcf from the previous GCR rate of \$9.0651 per Mcf.

6. The rates set forth in the Appendix to this Order are fair, just and reasonable and should be approved for service rendered by Burkesville on and after March 28, 2021.

7. Should Burkesville purchase sustainable natural gas from a renewable source during the reporting period of any future GCR reports then the supplier, cost, and amount must be documented in its cover letter to the Commission.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Burkesville are denied.
2. The rates set forth in the Appendix to this Order are approved for service rendered on and after March 28, 2021.
3. Within 20 days of the date of entry of this Order, Burkesville shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.
4. This case is closed and removed from the Commission's docket.
