ORDER

On May 11, 2022, East Kentucky Power Cooperative, Inc. (EKPC) filed a motion to reopen this case and change the annual filing date for a report on certain PJM Interconnection, LLC (PJM) activities.

As a basis for the motion, EKPC explained that, in a September 30, 2021 Order, the Commission denied EKPC's request to end a filing requirement to report on certain PJM activities, changed the scope of the report, and established an annual filing date of May 31 for the report. EKPC further explained that the Commission first established the May 31 annual filing requirement in Case No. 2012-00169,<sup>1</sup> and later revised the annual filing date to July 31 in Case No. 2015-00116<sup>2</sup> to better align with the end of the PJM delivery year. For this reason, EKPC requested that the Commission revise the filing requirement to allow EKPC to file the annual PJM report on July 31.

---

<sup>1</sup> Case No. 2012-00169, *Application of East Kentucky Power Cooperative, Inc. to Transfer Functional Control of Certain Transmission Facilities to PJM Interconnection, LLC* (Ky. PSC Dec. 21, 2012).

<sup>2</sup> Case No. 2015-00116, *East Kentucky Power Cooperative, Inc.'s Request to Modify the Due Date of the Annual Report on Participation in PJM Interconnection LLC* (Ky. PSC May 14, 2015).

Based upon a review of the motion and the case record, the Commission finds that EKPC established good cause to revise the annual filing date for the PJM report from May 31 to July 31 because it will better align with the PJM delivery year and permit EKPC sufficient time to gather data for the report. For this reason, the Commission grants EKPC's motion.

IT IS THEREFORE ORDERED THAT:

1. This case is reopened for the limited purpose of addressing EKPC's motion.
2. EKPC's motion to revise the annual filing date for the PJM report is granted.
3. Ordering paragraph 10 of the September 30, 2021 Order is stricken and

replaced with the following:

EKPC's request to be relieved of reporting requirements established in Case No. 2012-00169 is denied. EKPC's reporting requirement its PJM membership is modified as set forth above. Beginning in 2022, EKPC shall file a report by July 31 each year identifying benefits and costs that accrue from its PJM membership and comparing them to benefits and costs if EKPC left PJM.

4. All other provisions of the September 30, 2021 Order not in conflict with this Order remain in full force and effect.

5. This case is closed and removed from the Commission's docket.
