EAST KENTUCKY POWER COOPERATIVE,	)	
INC. WHOLESALE RATE ADJUSTMENT	)	

ORDER

On October 12, 2021, Farmers Rural Electric Cooperative Corporation (Farmers RECC), pursuant to KRS 278.400, filed a motion requesting rehearing of the Rate Schedule LPG-1 Large Power Customer Charge (LPG-1) established by the Commission's September 30, 2021 Order.

In its motion, Farmers RECC stated that an incorrect rate of \$4,773.70 was set forth in Appendix B to the September 30, 2021 Order for LPG-1 customer charge. Farmers RECC explained that the LPG-1 customer charge is based upon and therefore should have been identical to the customer charge for large customer rate classes LPE-5, LPB-5, and LPC-5. Farmers RECC further explained that the Appendix B contained the correct customer charge of \$4,659.66 for LPE-5, LPB-5, and LPC-5, and the incorrect customer charge of \$4,773.70 for LPG-1.

Based upon a review of the motion and Appendix B, the Commission finds that Appendix B contained an inadvertent error in the customer charge for LPG-1. The Commission further finds that Appendix B should be amended to replace the incorrect

customer charge of \$4,773.70 for LPG-1 with the correct customer charge of \$4,659.66 for LPG-1.

IT IS THEREFORE ORDERED that:

1. Farmer RECC's motion for rehearing is granted.
2. The LPG-1 customer charge in Appendix B to the September 30, 2021

Order is stricken is replaced with the following language:

SCHEDULE LPG-1  
Large Power

Customer Charge	\$4,659.66
-----------------	------------

3. All other provisions of the Commission's September 30, 2021 Order that are not in conflict with the terms of this Order shall remain in effect.

4. This matter is closed and removed from the Commission's docket.
