On April 28, 2021, Mountain Water District (Mountain District) gave notice of its intent to file an application for the purpose of establishing a surcharge to finance its water loss control efforts. On February 11, 2022, Mountain District filed a motion requesting to close the case and remove it from the Commission’s docket. Mountain District noted that the surcharge requested would apply to every customer class and every customer within each customer class, making the surcharge an adjustment of rates pursuant to 807 KAR 5:001, Section 16.
