In the Matter of:

ELECTRONIC MORGAN COUNTY WATER)	
DISTRICT'S UNACCOUNTED-FOR WATER)	CASE NO.
LOSS REDUCTION PLAN, SURCHARGE AND)	2021-00206
MONITORING)	

ORDER

This matter arises upon the request of the Morgan County Water District (Morgan District) filed October 29, 2021, to expend funds from its surcharge account in the amount of \$26,995. The funds are requested to pay Estimate No. 791 from McKim & Creed, Inc. for leak detection equipment and one week of training on the leak detection equipment to aid the utility in reducing its water loss.

The Commission finds that purchasing leak detection equipment, and additionally purchasing a week of training on that equipment, is a positive step toward addressing the water loss challenges it faces.

Based upon a review of the record, the Commission finds that Morgan District should be authorized to expend funds to pay McKim & Creed, Inc. \$26,995 from its surcharge account created by the Commission's June 9, 2021 Order.

IT IS HEREBY ORDERED that Morgan District is authorized to pay McKim & Creed, Inc. \$26,995 from its surcharge account created to address unaccounted-for water loss by the Commission's June 9, 2021 Order.
