

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ELECTRONIC EXAMINATION OF THE	)	
APPLICATION OF THE FUEL ADJUSTMENT	)	CASE NO.
CLAUSE OF LOUISVILLE GAS & ELECTRIC	)	2021-00295
COMPANY FROM NOVEMBER 1, 2020	)	
THROUGH APRIL 30, 2021	)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on August 18, 2021, to review and evaluate the operation of the Fuel Adjustment Clause (FAC) of Louisville Gas & Electric Company (LG&E) for the six months that ended on April 30, 2021. As part of this review, LG&E responded to two requests for information.

A review of LG&E's monthly FAC filings shows that the fuel cost billed for the six months under review ranged from a low of \$0.02282 per kWh in November 2020 to a high of \$0.02460 per kWh in January 2021 with a six-month average of \$0.02382 per kWh.

Having considered the evidence of record and being otherwise sufficiently advised, the Commission finds no evidence of improper calculation or application of LG&E's FAC charges or improper fuel procurement practices.

IT IS THEREFORE ORDERED that:

1. The charges and credits billed by LG&E through its FAC from November 1, 2020, through April 30, 2021, are approved.
2. This case is closed and removed from the Commission's docket.
