BEFORE THE PUBLIC SERVICE COMMISSION  
CASE NO, 2021-00307

LARRY RAYOMND BAILEY

COMPLAINANT

V.       **ADDENDUM TO MY REPLY TO WEST LAUREL'S RESPONSE**

WEST LAUREL WATER ASSOCIATION, INC.

DEFENDANT

---

**I Come Now**, amending my reply to West Laurel's response to my motion to deny West Laurels motion to dismiss.

On September 23, 2021 West Laurel filed its motion to dismissed based on economic reasons. On September 30, 2021 I filed a motion to deny West Laurel's motion to dismiss. On October 1, 2021 West Laurel filed its response to my motion. On October 4, 2021 I filed a response (cited as a reply to their response). Immediately afterwards on October 4, the PSC issued an order for me to respond, which I had already done. In the order I was requested to advise whether West Laurel had refunded my late fee. Other than providing that particular request for evidence my response is complete. Therefore, I am now amending my response by adding that particular request. Otherwise, the reply I filed just before the PSC issued the order stands as is.

**ADDENDUM TO REPLY**

In its motion to dismiss filed on October 23, 2021 West Laurel provided a copy of a refund check issued to me for \$3.01 attached to its motion.

As of now I have not received the check. However, at this time I plan to refuse acceptance the check pending further proceedings because I believe it could be grounds for West Laurel to claim a settlement was made.
