PUBLIC SERVICE
COMMISSION

In reference to Case No. 2021-00340, I am confirming my interest in the vacancy on the Rattlesnake Ridge Water District Board of Commissioners.

Being a resident of Lawrence County, which makes up 15-20% of Rattlesnake Ridge Water District's customer base and having no one on the Board from Lawrence County at this time I feel Lawrence County customers have been underserved by not having anyone to voice their concerns.

Prior to the closure of AK Steel Coke-Ashland, I served as Financial Secretary for Steelworkers Local Union 523. I have been a member of the Webbville Volunteer Fire Department's Board of Directors for 9 years, serving the last seven as Board President.

I am the Adjutant for the Sons of The American Legion Squadron 342 and have held that office since 2017.

I feel my association with these groups and their members gives me the opportunity to relate to and relay the concerns of the community.

Thank you,

Barry Webb
