

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF BLUEGRASS)	
WATER UTILITY OPERATING COMPANY, LLC)	CASE NO.
FOR A CERTIFICATE OF PUBLIC)	2022-00015
CONVENIENCE AND NECESSITY FOR)	
PROJECTS AT THE WOODLAND ACRES SITE)	

COMMISSION STAFF'S THIRD REQUEST FOR INFORMATION
TO BLUEGRASS WATER UTILITY OPERATING COMPANY, LLC

Bluegrass Water Utility Operating Company, LLC (Bluegrass Water), pursuant to 807 KAR 5:001, is to file with the Commission an electronic version of the following information. The information requested is due on June 17, 2022. The Commission directs Bluegrass Water to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Bluegrass Water shall make timely amendment to any prior response if Bluegrass Water obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Bluegrass Water fails or refuses to furnish all or part of the requested information, Bluegrass Water shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Bluegrass Water shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Bluegrass Water's response to Commission Staff's First Request for Information (Staff's First Request), Item 8.

- a. State the estimated costs of utilizing any alternatives to the moving bed biofilm reactor (MBBR) system identified in this response and provide documentation of the estimated costs.

b. State the estimated useful life of any alternatives to the MBBR system identified in this response and provided documentation regarding the estimated useful lives.

c. If Bluegrass Water is unable to provide costs and useful lives for alternatives to the MBBR system, state how you determined the alternatives are less costly alternative than the proposed construction.

2. Refer to Bluegrass Water's response to Staff's First Request, Item 17.

a. State the estimated costs of utilizing any alternatives to the peracetic acid disinfection system identified in this response and provide documentation of the estimated costs.

b. State the estimated useful life of any alternatives to the peracetic acid disinfection system identified in this response and provided documentation regarding the estimated useful lives.

c. If Bluegrass Water is unable to provide costs and useful lives for alternatives to the peracetic acid disinfection system, state how you determined the alternatives are less costly than the proposed construction.

3. Refer to Bluegrass Water's response to Staff's First Request, Item 23.

a. State the estimated costs of utilizing any alternatives to the wet weather overflow system identified in this response and provide documentation of the estimated costs.

b. State the estimated useful life of any alternatives to the wet weather overflow system identified in this response and provided documentation regarding the estimated useful lives.

c. If Bluegrass Water is unable to provide costs and useful lives for alternatives to the wet weather overflow system, state how you determined the alternatives are less costly than the proposed construction.

4. Refer to Bluegrass Water's response to Staff's First Request, Item 31, Corrective Action Plan (KY2022-00015_BW_0390 to KY2022-00015_BW_0391).

a. State the estimated costs of all phase two projects required or recommended by the Corrective Action Plan and provide documentation of the estimated costs.

b. State the estimated useful lives of all phase two projects required or recommended by the Corrective Action Plan and provided documentation regarding the estimated useful lives.

5. Refer to Bluegrass Water's response to Commission Staff's Second Request for Information, Item 7.

a. State the estimated cost of replacing the tank identified in this response and provide documentation of the estimated costs.

b. State the estimated useful life of a new tank identified in this response and provided documentation regarding the estimated useful lives.

c. If Bluegrass Water is unable to provide costs and useful lives for tank replacement, state how you determined that repair is a less costly alternative than replacing the tank.
