

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS)	CASE NO.
ADJUSTMENT FILING OF DUKE ENERGY)	2022-00023
KENTUCKY, INC.)	

ORDER

On January 28, 2022, Duke Energy Kentucky, Inc. (Duke Kentucky) filed in accordance with its Gas Cost Adjustment (GCA) Tariff its GCA report and a proposed GCA rate to be effective March 3, 2022. On February 10, 2022, Duke Kentucky filed an amended proposed tariff sheet correcting a typographical error for the Gas Cost Adjustment Transition (GCAT) Rider rate. Duke Kentucky's previous GCA rate was approved in Case No. 2021-00395.¹

The Commission's standard of review for GCR rates is well settled as stated in KRS 278.274(1):

In determining whether proposed natural gas utility rates are just and reasonable, the commission shall review the utility's gas purchasing practices. The commission may disallow any costs or rates which are deemed to result from imprudent purchasing practices on the part of the utility.

Further, the utility has the burden to prove the rates are just and reasonable and the Commission may reduce the purchased gas component of the utility's rates or the

rates charged by and affiliated company to the extent the amount is deemed to be unjust or unreasonable.²

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Duke Kentucky's GCA report includes revised rates designed to pass on to its customers its expected changes in gas costs.

2. Duke Kentucky's GCA reports sets out an Expected Gas Cost (EGC) of \$5.486 per Mcf, which is a decrease of \$1.712 per Mcf from its previous EGC of \$7.198 per Mcf.

3. Duke Kentucky's GCA report sets out no current quarter supplier Refund Adjustment (RA).

4. Duke Kentucky's GCA report sets out a current quarter Actual Adjustment (AA) of \$0.740 per Mcf. Duke Kentucky's total AA is \$0.568 per Mcf, which is an increase of \$0.486 per Mcf from its previous total AA of \$0.082 per Mcf.

5. Duke Kentucky's GCA report sets out a current quarter Balance Adjustment (BA) of \$0.002 per Mcf. Duke Kentucky's total BA is (\$0.020) per Mcf, which is a decrease of \$0.007 per Mcf from its previous total BA of (\$0.013) per Mcf.

6. Duke Kentucky's GCA is \$6.034 per Mcf, which is a decrease of \$1.233 per Mcf from its previous GCA of \$7.267 per Mcf.

7. Duke Kentucky's GCA report sets out a Gas Cost Adjustment Transition (GCAT) Rider rate of \$0.0548 per 100 cubic feet. This GCAT rate will be applicable to customers who begin receiving the Rate FT-L transportation service after the effective

² KRS 278.274(2); KRS 278.274(3)(c), and KRS 278.274(3)(d).

date of this Order and who paid gas supply costs through the GCA during the 12 months before they began receiving FT-L service.

8. The rates as proposed by Duke Kentucky and set forth in the Appendix to this Order are fair, just and reasonable and should be approved for final meter reading by Duke Kentucky on and after March 3, 2022.

9. Should Duke Kentucky purchase sustainable natural gas from a renewable source during the reporting period of any future GCA reports then the supplier, cost, and amount must be documented in its cover letter to the Commission.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Duke Kentucky and set forth in the Appendix to this Order are approved for final meter readings on and after March 3, 2022.

2. Within 20 days of the date of entry of this Order, Duke Kentucky shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.

3. Duke Kentucky shall continue to file an electronic version of its GCA report containing the supporting calculations used to compute the GCA in Excel spreadsheet format with all formulas, columns, and row unprotected and fully accessible as ordered in Case No. 2018-00143.³

4. This case is closed and removed from the Commission's docket.

³ Case No. 2018-00143, *Electronic Purchased Gas Adjustment of Duke Energy Kentucky, Inc.* (Ky. PSC May 23, 2018).

By the Commission

ATTEST:

Executive Director

APPENDIX

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE
