Dear Commissioners,

Protect Rooftop Solar and Hold LG&E and KU Accountable. They're behavior is unlawful and absurd. It flies in the face of progress and will set our region back even farther in the energy transition.

Sincerely,
Colín Goggy

Dear Commissioners,

Protect Rooftop Solar and Hold LG&E and KU Accountable. Please make sure that LG&E and KU and other Kentucky utility companies are held accountable, as per PSC ruling and state mandate, for continuing monthly net metering so that customers get the maximum benefit from the electricity that is produced by customer-owned solar panels.

Sincerely,
Kathy Watson
