

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF SOUTH)	CASE NO.
WOODFORD WATER DISTRICT FOR A RATE)	2022-00035
ADJUSTMENT PURSUANT TO 807 KAR 5:076)	

ORDER

On March 17, 2022, South Woodford Water District (South Woodford District) filed an application requesting an adjustment to its monthly water service rates pursuant to the procedures set forth in 807 KAR 5:076. On July 27, 2022, to ensure the orderly review of the application, the Commission amended the procedural schedule dated March 31, 2022, because Commission Staff discovered discrepancies in South Woodford District's records and thus required additional time to review the evidence of record.

Commission Staff again finds that it requires additional time to adequately review the case record to prepare a robust and thorough Commission Staff Report. For this reason, the Commission, on its own motion, finds that the July 27, 2022 amended procedural schedule shall be amended to extend the date for Commission Staff to issue the Commission Staff Report.

IT IS THEREFORE ORDERED that:

1. Ordering paragraph 1 of the July 27, 2022 Order is stricken and replaced with the following:

No later than September 14, 2022, Commission Staff shall file with the Commission and serve upon all parties of record a written report containing its findings regarding South Woodford District's requested rate adjustment.

2. All provisions of the Commission's Orders of July 27, 2022, and March 31, 2022, not in conflict with the terms of this Order shall remain in effect.
