Application for Certificate of Construction

Telesto Energy Project LLC (“the Applicant” or “Telesto”) files this application requesting from the Kentucky State Board on Electric Generation and Transmission Siting (“the Board”) a certificate of construction for an approximately 110 megawatt (MW) merchant electric solar generating facility pursuant to KRS 278.704. The generating facility will be located in Hardin County, Kentucky.

In support of this Application, Telesto submits herewith Exhibits A-N. To assist the Board and interested persons in locating information required by various statutes and regulations, Telesto also submits herewith the Table of Contents required by 807 KAR 5:110 §3(2)(b) and attaches hereto an Index of Regulation Requirements, listing the requirements for a generation application, and the principal place(s) each requirement is addressed in these Application materials. The facts on which the Application is based are contained in the concurrently-filed exhibits, reports, and other information and the statements further made by Telesto as follows:

I. Applicant

1. Telesto Energy Project LLC is the Applicant for approval of an Application to the Board for a certificate to construct a solar merchant electric generating facility.
