Case No. 2022-00115 - Filing Deficiency

The Siting Board Staff has reviewed the April 18, 2022 filing in the above case and has determined that your notice of intent to file an application for a certificate of construction for a merchant generating facility rejected for the reason set forth below.

Filing deficiency pursuant to:

(1) 807 KAR 5:11, Section 2(2)(d): The address of the planning and zoning commission, if any, with jurisdiction over the site of the construction to be proposed.

The application indicates that there is not a planning commission with jurisdiction over the site of the facility. Siting Board Staff note that Hart County has a Planning Commission, which is not addressed in the application.

You are requested to submit the information necessary to cure the deficiencies within 10 days of the date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

A handwritten signature in blue ink that reads "Linda C. Birdwell".
