

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS ADJUSTMENT)	CASE NO.
FILING OF BLUEGRASS GAS SALES, INC.)	2022-00148

ORDER

On May 26, 2022, Bluegrass Gas Sales, Inc. (Bluegrass) filed its proposed Gas Cost Recovery (GCR) rate report to be effective July 1, 2022. Bluegrass's previous GCR rate was approved in Case No. 2022-00060.¹

The Commission's standard of review for GCR rates is well settled as stated in KRS 278.274(1):

In determining whether proposed natural gas utility rates are just and reasonable, the commission shall review the utility's gas purchasing practices. The commission may disallow any costs or rates which are deemed to result from imprudent purchasing practices on the part of the utility.

Further, the utility has the burden to prove the rates are just and reasonable and the Commission may reduce the purchased gas component of the utility's rates or the rates charged by an affiliated company to the extent the amount is deemed to be unjust or unreasonable.²

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

¹ Case No. 2022-00060, *Electronic Purchased Gas Adjustment Filing of Bluegrass Gas Sales, Inc.* (Ky. PSC Mar. 30, 2022).

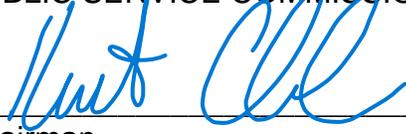

² KRS 278.274(2); KRS 278.274(3)(c); and KRS 278.274(3)(d).

1. Bluegrass's report includes revised rates designed to pass on to its customers an expected change in gas costs.
2. Bluegrass's report sets out an Expected Gas Cost (EGC) of \$10.5915 per Mcf, which is an increase of \$3.8079 per Mcf from its previous EGC of \$6.7836 per Mcf.
3. Bluegrass's report sets out no Refund Adjustment.
4. Bluegrass's report sets out a current quarter Actual Cost Adjustment (ACA) of (\$0.1609) per Mcf. Bluegrass's total ACA is \$0.2547 per Mcf, which is a decrease of \$0.2360 per Mcf from its previous total ACA of \$0.4907 per Mcf.
5. Bluegrass's report sets out a current quarter Balance Adjustment (BA) of \$0.0004 per Mcf. Bluegrass's total BA is \$0.0627 per Mcf, which is a decrease of \$0.0008 per Mcf from its previous total BA of \$0.0635 per Mcf.
6. Bluegrass's GCR rate is \$10.9089 per Mcf, which is an increase of \$3.5711 per Mcf from its previous GCR rate of \$7.3378 per Mcf.
7. The rates set forth in the Appendix to this Order are fair, just and reasonable and are approved for service rendered by Bluegrass on and after July 1, 2022.
8. For the purpose of transparency and to maintain a record of information for future use, the Commission finds that Bluegrass shall submit all invoices it receives along with its monthly usage reports for each month of the reporting period when it files its future GCR rate reports.
9. Should Bluegrass purchase sustainable natural gas from a renewable source during the reporting period of any future GCR reports then the supplier, cost, and amount must be documented in its cover letter to the Commission.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Bluegrass and set forth in the Appendix to this Order are approved for service rendered on and after July 1, 2022.
2. Bluegrass shall submit all invoices it receives along with its monthly usage reports for each month of the reporting period when it files its future GCR rate reports.
3. Within 20 days of the date of entry of this Order, Bluegrass shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rate approved herein and reflecting that it was approved pursuant to this Order.
4. This case is closed and removed from the Commission's docket.
