ORDER

On April 18, 2024, Kirksville Water Association, Inc. (Kirksville Water) filed a motion requesting Commission approval of training in lieu of the fine ordered in the final Order issued on March 4, 2024.<sup>1</sup> According to the motion, instead of waiting on the final Order, the members of the Board of Kirksville Water attended water training on December 5–6, 2023.<sup>2</sup> Alfred Winkler, Bobby Powell, and Wayne Long each provided proof of attendance at the December training in Frankfort, Kentucky, sponsored by the Public Service Commission.<sup>3</sup>

Based on the motion and having reviewed the case record, the Commission finds that there is good cause to grant the motion. A hearing was held in this matter on July 6, 2023. As noted in the above, the final Order was not issued until March 4, 2024. During that time, the board members were proactive in attending training. The delay in the

issuance of the Order was through no fault of the utility. As such, the Commission finds that the training Alfred Winkler, Bobby Powell, and Wayne Long attended in December 2023 satisfies the training requirement set out in the final Order.<sup>4</sup> As such, the fine set out in the final Order is waived.<sup>5</sup>

IT IS THEREFORE ORDERED that:

1. Kirksville Water's motion is granted.
2. Alfred Winkler, Bobby Powell, and Wayne Long have satisfied the training requirement set out in the final Order in this matter.
3. Based on the finding in ordering paragraph 2, the fine set out in the final Order for Alfred Winkler, Bobby Powell, and Wayne Long is hereby waived.
