PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Mayfield shall make timely amendment to any prior response if Mayfield obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Mayfield fails or refuses to furnish all or part of the requested information, Mayfield shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Mayfield shall, in accordance with 807 KAR 5:001E, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the Application, page 5, paragraph 16. Provide a calculation of the rate to be charged to Randview customers upon transfer of the Randview sewer facilities.
2. Refer to the Application, Exhibit F, page 4.

- a. Identify the long-term problems with the Randview facility referenced in Exhibit F.
 - b. Describe any plans discussed for remedying these problems and estimated costs.
 - c. Provide any Corrective Action Plan or Agreed Order with the Division of Water regarding Randview facilities that Bluegrass Water Utility Operating Company, LLC (Bluegrass Water) has provided.
 - d. State whether Mayfield intends to recover the cost of any construction projects to remedy problems with the Randview facility via surcharge charged exclusively to Randview customers.
 - e. State whether and when Mayfield intends to increase rates for all sewer customers to address ongoing net losses.
3. Refer to the Application, page 8, paragraph 31.
 - a. Provide a summary of operations and maintenance services Mayfield plans to conduct at the Randview facility, including frequency of these tasks.
 - b. State how many operations and maintenance staff members Mayfield employs. Segregate the number by utility service.
 - c. State whether Mayfield plans to hire any additional employees as a result of the Randview acquisition.
4. Identify any exceedances of permitted limits Mayfield sewer system has been cited for since 2013.

5. Refer to Case No. 2022-00216,² Application, Exhibit 24. State whether you expect Bluegrass Water to complete its remote monitoring project at Randview as part of Mayfield's purchase agreement.
