RE: Notification to the Public Service Commission of a Proposed Wholesale Water Rate Adjustment to:

- A.) Adair County Water District
- B.) East Casey County Water District
- C.) Green-Taylor Water District
- D.) Larue County Water District
- E.) Marion County Water District

Dear Ms. Bridwell:

Please consider this correspondence as the 30-day notice to the Public Service Commission for the Campbellsville Municipal Water & Sewer System to adjust our Wholesale Water Rate for service provided to our Wholesale Water Purchasers as referenced above. Each of these customers is a public utility under the jurisdiction of the Public Service Commission.

The proposed rate increase will be effective for water used on and after August 19, 2022.

Please find enclosed documents relative to the proposed increase. The documents include the following for each Wholesale Water Purchaser:

- A Certified Letter explaining the proposed increase;
- Customer Notice with language as required by PSC;
- Revised Tariff Sheet.

In addition, also enclosed for your records is a copy of the Rate Ordinance that was approved by the Campbellsville City Council on June 20, 2022.

Should you have any questions of need further information, please feel free to contact me.

Sincerely,

Mayor Diane Ford-Benningfield

ORDINANCE NO. 22-13

**AN ORDINANCE AMENDING ORDINANCE 21-08 ESTABLISHING
WATER RATES FOR CERTAIN WHOLESALE CUSTOMERS
OF THE CITY OF CAMPBELLSVILLE, KENTUCKY
THROUGH THE CAMPBELLSVILLE WATER & SEWER SYSTEM**

* * * * *

Whereas, the City of Campbellsville through the Campbellsville Water & Sewer System provide water to persons residing within the corporate boundaries of the City of Campbellsville and to persons residing in Taylor County, Kentucky, but outside the corporate boundaries of the City of Campbellsville; and

Whereas, the City of Campbellsville desires and intends to provide water and sewer services to the residents of the City of Campbellsville and Taylor County, Kentucky in such a way as to cover its costs, but not to seek a profit; and

Whereas, the cost of operating the Campbellsville Water & Sewer System has increased over time and the infrastructure owned by the Campbellsville Water & Sewer System is in need of repairs and improvements and will need repairs and improvements in the future; and

Whereas, revenues generated from the operations of the Campbellsville Water & Sewer System at the existing rates are inadequate to cover the costs associated with continued operations, repairs and improvements to the system; and

Whereas, the Campbellsville Water & Sewer System has a written contract for providing water to the Lebanon Water Works which involved the construction of certain infrastructure to accommodate the Lebanon Water Works's need for water now and in the future. The rate charged to the Lebanon Water Works is governed by the terms and conditions of the written contract and this Ordinance does not govern the rates charged or to be charged to Lebanon Water Works

Whereas, the City Council of the City of Campbellsville intends to raise rates for certain wholesale water customers so as to cover the increased costs of operation which the Campbellsville Water & Sewer System have incurred and are incurring.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMPBELLSVILLE, KENTUCKY as follows:

1. Water Rates for Wholesale Customers. Beginning on July 1, 2022, water rates for the following wholesale customers shall be as follows:

Water Rates for Wholesale Water Customers (per 1,000 gallons)	
Green-Taylor Water District	\$2.76
Adair County Water District	\$2.95
East Casey County Water District	\$2.95
Larue County Water District	\$2.95
Marion County Water District	\$2.95

This Ordinance is sponsored by council members David Nunery and Jimmy Ewing.

This ordinance was introduced and given a first reading at a regular meeting of the City Council held on the 20th day of June, 2022, it received its second reading, passage and became effective at a special meeting of the City Council held on the 28th day of June, 2022.
