AND MONITORING)	

COMMISSION STAFF'S THIRD REQUEST FOR INFORMATION
TO LAKE VILLAGE WATER ASSOCIATION, INC.

Lake Village Water Association, Inc. (Lake Village Water), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on May 28, 2024. The Commission directs Lake Village Water to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Lake Village Water shall make timely amendment to any prior response if Lake Village Water obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Lake Village Water fails or refuses to furnish all or part of the requested information, Lake Village Water shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Lake Village Water shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the Qualified Infrastructure Improvement Plan (QIIP) filed on January 30, 2023. Confirm whether Lake Village Water has begun any of the projects listed in the QIIP, other than the replacement of service lines along Hughley Lane and Paradise Camp Road for which Lake Village Water has already received approval to expend surcharge funds by Order issued November 28, 2023.

2. For any projects listed in response to Item 1, provide the following:

- a. A detailed description of each project;
- b. The current status of each project;
- c. The total of any surcharge funds already spent on each project;
- d. The estimated amount of funds from the surcharge account needed

to complete each project; and

- e. The estimated date of completion or the actual date of completion.

3. Refer to the QIIP, "Source of Unaccounted-for Water Loss." Provide any information to support Lake Village Water's assumption that service line leaks will persist until new service lines are installed along Paradise Camp Road and Norman's Camp Road. Provide how many leaks have been discovered or repaired along these two roads since the QIIP was filed.

4. Confirm whether Lake Village Water has taken action to become compliant with meter testing requirements after being found deficient in the July 19, 2023 inspection report. If not, explain why not.

5. Confirm whether the meter testing results have confirmed if any meters are running slow. If so, explain what actions Lake Village Water has taken to resolve the situation.

6. Refer to the QIIP. Provide any updates to the estimated cost and proposed schedule of the projects proposed in the QIIP.
