[Report Suspicious](#)

Dear Mrs. Birdwell,

I am no longer a member of the Farmdale Water District board of Commissioners. My term as Commissioner ended in 2021 and the Franklin County Fiscal Court appointed Scott Wooldridge to take my place on May 27, 2021.

The events listed in the PSC Order happened long after I stopped being a Commissioner of the Farmdale Water District.

I respectfully request that the PSC dismiss me as a party to this case.

Richard Tanner
