Ms. Bridwell, I am named in the subject case regarding deficiencies in Water District actions in 2022. I resigned my position as commissioner on March 31, 2022 and my replacement, John Dailey was appointed April 22, 2022. I therefore request that I be removed from this action. Please contact me at this e-mail address or call 502-382-8420.
