

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF BATH COUNTY)	CASE NO.
WATER DISTRICT FOR A RATE ADJUSTMENT)	2022-00404
PURSUANT TO 807 KAR 5:076)	

ORDER

On August 17, 2023, Bath County Water District (Bath District) filed a motion to amend the Commission’s August 10, 2023 final Order in this proceeding. In support of its motion, Bath District stated that the rate schedule attached to the Commission’s Order as an Appendix contained an error, in that the wholesale rates for Sharpsburg Water District (Sharpsburg District) and the city of Owingsville (Owingsville), including the minimum bill provision pertaining to Owingsville, were reversed.

The Commission having reviewed the motion and the evidence of record finds that there was an error in the rate schedule attached as an appendix to the August 10, 2023 Order, and that Bath District’s motion to amend the Order should be granted.

IT IS THEREFORE ORDERED that:

1. Bath District’s motion to amend the August 10, 2023 Order in this proceeding is granted.
2. The wholesale water rates contained in the Commission’s August 10, 2023 Order for service rendered by Bath District on or after August 10, 2023, are stricken and replaced with the wholesale water rates attached to this Order as an Appendix.

3. All provisions of the Commission's August 10, 2023 Order not in conflict with this Order remain in effect.

4. This case is closed and removed from the Commission's docket.
