TO WHOM IT MAY CONCERN:

This is a formal request for your intervention in the excessive rate increase proposal of Bluegrass Water for sewer services in Georgetown.

I have been a resident of Moonlake Subdivision for 6 years. I am on fixed income and such a rate hike would be difficult for me to handle. A number of the citizens of this area are in my position. Also, there are some younger families with children who would have the same problem with this amount of increase.

I feel that an increase from \$12.50 to \$99.37 is excessive. Therefore, I am asking for your intervention in stopping this proposal.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Janice Robertson".
