To Whom It May Concern:

Please accept this letter as my expression of interest in being considered for the vacancy on the Columbia/Adair Utilities District Board.

I am retired from the Adair County Schools where I served as superintendent for nine (9) years. During the thirty-one (31) years I worked in public school education in Kentucky, I served on numerous local and state boards as well as working with different school boards. I am currently serving as Chairman of the Lake Cumberland Housing Agency Board which serves a ten (10) county area including Adair County.

As a school administrator my decisions were always made with what was in the best interests of our students. That

has been how I have worked with any Board on which I have served - "What is in the best interest of those we are serving?" That would continue to be the basis for my decisions for the customers of the Columbia/Adair Utilities.

I am available to answer any questions that you may have. Please feel free to contact me at

Thank you for your consideration.

Sincerely,

Darrell Treece
