Re: Request for Local Public Hearing - Dogwood Corners Case No. 2023-00246

Dear Members of the Board,

I am writing to you in my capacity as the Christian County Judge Executive and on behalf of the Christian Fiscal Court, pursuant to the authority granted under KRS 278.712(1). We hereby formally request that the board convene a local public hearing to consider the application associated with Dogwood Corners, Case No. 2023-00246.

As per KRS 278.712(1), it is stated that the board "shall convene a local public hearing in response to a request from the planning and zoning commission, mayor of a city, *or county fiscal court* (emphasis added) of a jurisdiction where the facility is proposed to be located." In light of this clear directive, we trust that our request will be given due consideration, and a local public hearing will be convened promptly.

The proposed facility or project associated with this case has garnered significant attention and interest within our county. As representatives of the Christian Fiscal Court, we believe it is of paramount importance that our local residents have an opportunity to voice their concerns, ask questions, and gain clarity on the implications of this project. A local public hearing will provide a platform for transparent dialogue and ensure that the interests of our community are adequately represented and addressed.

We understand the importance of following the proper channels and procedures, and we trust that the board will give due consideration to our request. We are committed to collaborating with all stakeholders to ensure that the hearing is conducted smoothly and efficiently.

Please inform us of any additional information or documentation required to facilitate this request. We are eager to work alongside the board to ensure that the voices of our community are heard and that the best interests of our county are upheld.

Thank you for your attention to this matter. We look forward to your positive response and the scheduling of the local public hearing at the earliest convenience.

Sincerely,
